RS2604

General

- **Product Dimensions**
Center Unit: 12.0" W, 15.3" D, 12.9" H
Main Speakers: 9.4" W, 9.1" D, 12.9" H
- **Giftbox Dimensions**
26.0" W, 22.4" D, 16.3" H
- **Masterpack Quantity**
1 Each
- **Remote Control**
24-key remote for easy command of the system from a distance.
- **3-Color Vacuum Fluorescent Display**
Brightly illuminated, the fluorescent display allows the user to easily read displayed information from far away.
- **4-Level Display Dimmer**
The user can customize the brightness of the display by selecting one of four different levels.
- **Demo Mode**
- **Clock/Sleep/Alarm**
You can wake to your favorite CD, radio station or cassette tape. Sleep alarm can be set for up to 120 minutes.
- **Encoder Volume Control**
- **Function Select**
CD/Tape/Tuner/Aux In

Tuner Features

- **Digital AM/FM Stereo Tuner**
Tunes AM/FM stations with maximum accuracy and minimum drift. Tunes to the center of the broadcast channel for minimum distortion.
AM: 520 -1710 KHz
FM: 87.5 to 107.9 MHz
- **32 Programmable AM/FM Stations**
Allows the user to program their favorite radio stations and have quick access to each of them.
- **Auto Preset FM Tuning**
With the press of one button you can automatically store all the radio stations in your listening area.
- **Search Up/Down**
Automatically searches the band, stopping at the next station in-tune.
- **External Loop AM Antenna**
- **External "T" FM Antenna**

Cassette

- **Dual Cassette Operation**
- **Cassette Carry Door with Cushion Eject**
- **Continuous Play**
- **Automatic Tape Shutoff (Play/Record Modes)**
Automatically turns the tape player off when the end of the tape is reached to prevent wear on the media.
- **Automatic Level Control (ALC) in Record**
Controls recording levels to ensure low noise and low distortion.
- **One-Touch Recording**
- **6-Pushbutton Operation on Play Deck**
(Stop/Eject, Pause, Fast Forward, Rewind, Play, Record)

Compact Disc

- **5-Disc Carousel CD Changer**
Provides the most amount of music to be played while maintaining the small, sleek design of a 3-CD system. The angled carousel trays allows five CDs to be placed in the unit while maintaining readability of all disc labels.
- **CD-R/CD-RW Compatible**
Has the ability to play CD-R/CD-RW discs.
- **8X Oversampling**
- **Simultaneous Play-and-Load System**
Allows the user to change CDs in the tray without interrupting the disc currently playing.
- **CD Shuffle Play**
Creates a different listening experience by randomly playing tracks from one or multiple CDs. This feature will not repeat any track until all tracks have played.
- **Repeat One or All Tracks**
The user can choose to continuously repeat one favorite or all tracks on a CD.
- **Direct Disc Access**
Pressing the button of Disc 1-5 gives you immediate access to desired disc.
- **Front-Mounted Pushbutton Controls**
(Play/Pause, Stop/Clear, Drawer Open/Close, Disc Skip, Search Forward/Reverse, Repeat, Program)
- **Intro Scan**
Plays the first 10 seconds of each track so the user can automatically search the CD for their favorite track.

Sound/Speakers

- **150-Watts Total Power**
- **25-Watts Left and Right Speakers**
- **50-Watts x 2 Built-in Powered Subwoofers Speakers**
- **Bi-Amplification**
By using more than one amplifier per channel, bi-amplification divides the frequency range into low and mid-to-high range frequencies. Power is then focused where it is needed resulting in better sound with depth and range.
- **Speakers with KEVLAR^{®1} Material**
Using KEVLAR[®] materials in our speaker cones helps obtain clear, crisp sound while minimizing distortions.
- **X-Surround**
X-Surround uses advanced digital technology to provide a simulated surround sound experience from the main speakers.
- **Bass Boost**
With just a push of the button you can increase the bass response for added depth to sound at all levels.
- **Preset EQ**
Pre-assigned equalization of bass and treble according to personal preference (Flat, Jazz, Rock and Pop).
- **Custom EQ**
Allows for manual adjustment of bass and treble according to personal preference.

Connections

- **Speakers Connections**
Main Speakers: L/R Spring Clip
Surround Speakers: L/R Spring Clip
- **3.5mm Stereo Headphone Jack**
For private listening, the headphone jack is conveniently located on the front of the unit.
- **Auxiliary In**

Plus

- **1-Year Limited Warranty**
